## Education

---

### Technische Universität Braunschweig

Bachelor in Computer Science, 2022–present

Relevant Courses: Software Engineering, Data Structures and Algorithms, Programming 1–2, Theoretical Computer Science, ...

## Projects

---

### Calorie Tracker App (Swift, SwiftUI)

Designed and developed a fully functional iOS app to track daily calorie intake. Features include HealthKit integration and data storage with Core Data.

Implemented using the MVVM pattern, barcode scanner planned, integrates HealthKit data (e.g., steps, weight, calories burned).

🔗 Source Code on GitHub

🍏 Beta Version on TestFlight

### Personal Website (HTML, CSS, JavaScript)

Created a modern, responsive portfolio website to showcase my projects, skills, and experiences.
